

National Aquarium

Discover Primary Science and Maths @ Galway Atlantaquaria this October.

This October is all about Maths. Explore the numbers of animals in our displays in relation to the size and shape of the tanks while on a guided tour. Participate in a fishing for litter game in the classroom, which incorporates measuring, estimating, collecting data and problem solving. For more information on our range of DPSM workshops see www.nationalaquarium.ie.

Book your Explorers Maths week workshop today!

Email. info@nationalaquarium.ie
Workshop Duration. 2 hours
Dates. 16th to 20th October & 23rd to 27th

The image shows three children standing on a sandy beach. The child on the left is holding a large pink number '1', the child in the middle is holding a large green plus sign '+', and the child on the right is holding a large yellow number '2'. In the foreground, the word 'Maths' is written in large, bold, blue letters. The background shows a beach with some seaweed and buildings in the distance under a cloudy sky.

Special offer €5 Euro per student
